Sea Level Rise Public Input

Now is the time to have your voices heard. The Town of Edisto Beach is working with the S.C. Sea Grant Consortium, the College of Charleston Lowcountry Hazards Center, and the Carolinas Integrated Sciences and Assessments to characterize the impacts of current and future flooding. In spring 2020, Edisto Beach and the project team requested flooding pictures and observations from residents as part of the study's research. The project team invites residents for another opportunity to provide observations and

input about impacts from flooding on Tuesday, Sept. 28 from 5 p.m. to 7 p.m. at Edisto Beach Town Hall, 2414 Murray Street, Edisto Beach, SC 29438.

Council and Mayor Election

There will be an election for two Edisto Beach Council seats November 2, 2021. There will also be a special election for Edisto Beach Mayor on the same date.

American Rescue Plan Funds

The Town of Edisto Beach is positioned to receive \$202,124.65 in American Rescue Plan Funds. In the news you may have noticed other communities receiving large sums of ARP funds. These allocations are based on the Census population. Edisto Beach property owners who claim Edisto Beach as their primary residence and register to vote on Edisto Beach should also claim Edisto Beach as their primary resident on the Census. How can our population be shrinking (406), yet our voter registration roll is increasing (916)?

Lift Station A and B Pump Upgrades

The Town submitted a grant application to the South Carolina Rural Infrastructure Authority for \$500,000.

Edisto Triathlon-October 30, 2021

Description

Swim (Half): 1.2 Miles (Ocean)

Bike (Half): 56 Miles

Run (Half): 13.1 Miles

The Edisto Island Triathlon is a half iron distance triathlon event held entirely on Edisto Island and Edisto Beach, South Carolina. This soon to be world famous race features a "with the tide" ocean swim and two loop bike ride that is flat and fast. The run course is a two loop out and back course along the island's "interior" roads and is one of the flattest run courses you will find. This event is a double transition event with Transition 1 (Swim to Bike) being held at the Edisto Beach State Park and Transition 2 (Bike to Run) being held at Bay Creek Park which is exactly 3 miles (and a super easy drive) from the State Park. Register online and pick up event packets on October 29 from 10 am to 6 pm at the Edisto Chamber at 42 Station Court.
